**Project Certification as required by the American Recovery
and Reinvestment Act of 2009**

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the City of Newdale, DWSRF Loan #DW1013, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the City of Newdale is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the City of Newdale is to construct a new drinking water supply well with well house, standby power, and chlorination system; construct a transmission pipeline to connect the new well to the existing drinking water system; rehabilitate the Highway 33 drinking water supply well and build a well house; and construct an additional 200,000 gallon drinking water storage reservoir. The project is estimated to cost a total of \$1,800,000, of which \$1,200,000 of ARRA funds will be used.
